11 a.m.—5 p.m.—Trade Show Open

1 p.m.—4 p.m.—Seminars on subjects outlined below

4 p.m.—Announcement of raffle prizes

5 p.m.—Trade show closes and event is concluded

Seminar Topics

Mechanics' Liens—You've heard of them, been subjected to them, been threatened by them. But what are mechanics' liens, how do they work, and how do they affect you? Find out during this eye-opening presentation.

Customer Relations in Construction—You want to keep everyone happy—from your clients to your building department to your bookkeeper—can it be done? This presentation will give you real-life, tried-and-true information and pointers to make you and your business hum.

Panel of Experts—Here's your chance to put a face on the Contractors State License Board and your building department staff. Everything you've always wanted to know but were afraid to ask. Get the guy next to you to raise his hand.

Contract Review Mail us a copy of a current job contract you've filled out, and we'll perform a 10-point check up to see if it meets the minimum requirements as prescribed in contractor law. You must attend a Contractor Education Seminar to receive the review and meet with a CSLB representative. *(Contracts cannot be mailed back and the review is cursory and not intended as a legal opinion.)*

Trade Show Exhibitors will demonstrate services and products to help with the day-to-day duties of running a construction business. Everyone from government agencies to power tool companies to office supply stores will be participating. *(Participation by exhibitors is not intended as an endorsement by the CSLB.)*

Visit Our Web Site The 2003 Contractor Education Seminars information is available on the Internet and will be updated on a monthly basis as plans are finalized. For a registration form, hotel information, conference highlights and the agenda, visit www.cslb.ca.gov.
